Re: Deadline for gathering signatures for petition

Dear counsel:

As you know, citizens have 30 days to collect signatures to refer a measure passed by the Council to the ballot. It is our understanding that the City Clerk will accept signatures up to 30 days after the Council "approved" the measure authorizing the lease and management of Jobing.com Arena. Although the Council voted on June 8, 2012 to authorize the lease, a copy of that measure (which is required to collect signatures) was not available from the Clerk until one week later, on the afternoon of June 15, 2012. Therefore, the Clerk must accept signatures through July 15. If you disagree, please respond within 24 hours and provide your legal basis.

Very sincerely,

Carrie Ann Sitren
Attorney
