Re: Application for Referendum Petition Serial Number
R12-02

Dear Sir/Madame:

After a review of the above-referenced application, it appears that the Application for Referendum Petition Serial Number filed by BTS (Back to Sanity) on November 29, 2012 is not complete. A complete application is required before signatures may be collected on a referendum petition.

Arizona Revised Statutes § 19-111 establishes the requirements for a referendum application. A copy of this statute, along with other information, was provided to you in the Referendum Packet you received from the City Clerk's office prior to submitting the Application. A copy of the full text of the measure sought to be referred, in no less than eight point type, must be attached to the application. Further, a summary description of the principal provisions of the measure, consisting of no more than 100 words and also in at least eight point type, must be submitted.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Hanna".
