CITY CLERK  
CITY OF GLENDALE

Mr. Sherwood has flip-flopped on or reversed major policy positions he took during his 2012 campaign, so that voters have been misled and not represented properly. Mr. Sherwood has promoted, negotiated and voted for actions and deals by the City that have severely harmed the City's finances, increased taxes on residents, and left the City with disadvantageous or unenforceable positions. Mr. Sherwood has ignored or flouted the Open Meeting Law, the rules on Executive Sessions and other rules and processes intended to allow his constituents and the citizens of Glendale to have adequate notice of proposed City actions and an opportunity for review and comment. Mr. Sherwood has disdain for Glendale residents and does not comport himself in a manner befitting an elected member of the City Council.
