Ms. Pamela Hanna
Glendale City Clerk
5850 W. Glendale Ave
Suite 455
Glendale AZ 85301

Dear Mr. Bailey and Ms. Hanna,

This letter constitutes a formal complaint about the activities of several political committees currently involved in Glendale City elections.

The committees are:

- "No More Bad Deals for Glendale in Opposition to R-14-03 – Neighbors for a Better Glendale"
- "Respect the Promise in Opposition to R-14-02 – Neighbors for a Better Glendale"
- "Neighbors for a Better Glendale"

1. MISSING CAMPAIGN FINANCE REPORT

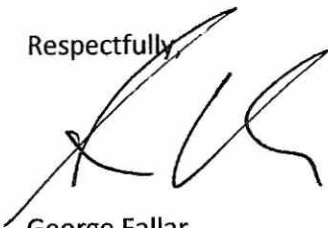

The June 30 campaign finance reports have not been filed by any of the three committees. If the reports have been filed, as of this writing they are not yet posted on the City of Glendale, AZ website.

These most recent violations continue a pattern of disregard for campaign finance regulations.

I trust, Mr. Bailey, you will review the disposition of a \$75,000 fine detailed in your letters to Kristin Windtberg dated 12/08/2014 and 01/29/2015.

It appears your admonition in the January letter to "...adhere to the statutory requirements for political committees, including financial reporting..." may have fallen on deaf ears.

Respectfully,

George Fallar
